

TITLE 326 AIR POLLUTION CONTROL DIVISION

Rule Information Sheet

Air Quality Designations for the 2010 Sulfur Dioxide Primary National Ambient Air Quality
Standard
LSA Document #13-502

Overview

This rulemaking amends 326 IAC 1-4 to add federal nonattainment designations for the 2010 sulfur dioxide (SO₂) primary standard for certain areas of Indiana, including: Center, Perry, and Wayne townships in Marion County; Clay and Washington townships in Morgan County; Veale Township in Daviess County; Washington Township in Pike County; and Fayette and Harrison townships in Vigo County.

Affected Persons

Citizens and businesses that emit SO₂ in the nonattainment areas of Indiana may be affected.

Reasons for the Rule

The purpose of the state rulemaking is to update designations for certain Indiana counties for consistency with federal rules.

Economic Impact of the Rule

There is no economic impact from this rulemaking because it is an incorporation of existing federal law with no impact beyond that already imposed by the federal law.

Scheduled Hearings

Public Hearing: March 12, 2014, 1:30 p.m. at the Indiana Government Center-South, 302 West Washington Street, Conference Center Room A, Indianapolis, Indiana.
